Professional Experience:

Delivery Processor, PepsiCo., Indianapolis, IN, December 2019 – August 2021

Project Scope: The company was using a warehouse management system and SAP to track inventory and manually check individual shipments for fill-rate

- Blazed the trail for new software to estimate fill-rate for individual shipments
- Collaborated with departments to utilize this new software to communicate fill-rate to our customers
- Optimized consolidating short loads

Warehouse Coordinator, PepsiCo., Indianapolis, IN, October 2016 – December 2019

- Trained and developed 5 new employees
- Created standard operating procedures to help others learn
- Coordinated multiple forms of communication to ensure a seamless workflow (phone calls, face to face, and multiple radios)

Awards & Achievements:

- EFA Gold Badge
- EFA Blue Badge
